

BETSIE VALLEY ELEMENTARY

SEEDS SUMMER CAMP

July 12th-15th Around the World

Feel as if you are traveling the world, while staying in Thompsonville! This week we will explore plants and man made gardens from around the world. There will be an outdoor scavenger hunt, and our field trip this week is to Historic Barns Park. We will return to our Zen garden. Mr. Steve, a local artist, will come on Monday and Tuesday to work with the campers on clay projects, and Mr. Alderman will visit for another cool jamming session.

Monday-Wednesday Schedule

- 9:00-9:30 Sign in and Breakfast
- 9:30-11:30 Interest Areas
- 11:30-12:20 Lunch and Recess
