

KND Elementary SEEDS After School

December 2020

Theme of the Month: Stars, Clouds and Other Sky Things

December will be a Kit-Only Month

Tuesday	Wednesday	Thursday	Monday
<p>1 Intro to Weather: Learn about weather instruments then make a weather vane of your own. Social-Emotional Learning: Think about all the ways in which you are wonderful.</p>	<p>2 Make a snow globe or a snowflake cling then write about your favorite type of weather.</p>	<p>3 Make a Rain Gauge then keep track of rainfall with a graph.</p>	<p>7 Types of Clouds: Learn about different types of clouds then head outside for a Cloud Walk.</p>
<p>8 Create a Cloud Mobile Social-Emotional - Make a sun design to remind you of your strengths.</p>	<p>9 Diagram the phases of the Moon with cookies then write about what it would be like to explore the Moon.</p>	<p>10 <i>The Starry Night</i> Mixed Media: Create your own version of a famous starry painting then create constellations using marshmallows.</p>	<p>14 Star Finder: Create a Sky Map tool then use it to create constellations in your room.</p>
<p>15 Use Wind Power to build a toy car Social-Emotional Learning: Family Interview</p>	<p>16 Weather Journal: Write about what would happen if the sun was a different color then make some holiday Playdoh.</p>	<p>17 Snowflake Bentley: Catch and examine snowflakes then make a diagram of the shapes you find.</p>	<p>18 Santa's Sleigh Challenger: Build a new sleigh for Santa then help Gingerbread Man escape being eaten.</p>
