28 No School SNOW DAY	29 No School SNOW DAY	30 No School SNOW DAY	31 Ski Club or Youth Voice	1 NO SEEDS	<p>Our February calendar is going to look much like our January calendar thanks in large part to all the snow days we had during January. We were unable to get many programs running consistently in January so we will try again in February... the snow must stop eventually. We are bringing back our cooking club this month with Janis Feller facilitating the club on its new night.</p> <p>A benefit of the snow has been to our ski club on Thursdays. We have had lots of fun during our ski times even though we have had bus issues every week, it has not derailed our fun. I would like to thank our bus drivers for being so great and helping us get to Caberfae every week, without them we would not be able to go skiing.</p> <p>Please remember that Wednesday February 13th is count day. Please make sure you come to school that day... it helps greatly.</p> <p>In conjunction with the elementary SEEDS program we will host our annual Family Health Night. The event is scheduled for Wednesday February 27th starting after school and running until 6:00 pm. We will have a normal bus home and as always look forward to seeing you there at our event.</p> <p>Joke of the month: What would you get if you crossed a gorilla with the sixteenth US president? <i>Ape Lincoln!</i></p>
