

# KND Elementary SEEDS After School

January 2021

Theme of the Month: the Arctic Tundra

Monday	Tuesday	Wednesday	Thursday
11 <b>Make An Inuksuk:</b> Inuit stone sculpture	12 <b>Arctic Food Webs:</b> Learn about the animals of the Tundra	13 <b>Snow Helper:</b> Build a snowman to help feed our winter birds	14 <b>Make a Friendship Bracelet</b> for someone you care about
18 <b>Seeing In The Snow:</b> Learn how to make snow goggles	19 <b>Tracking Wildlife:</b> Look for signs of wildlife around your house.	20 <b>Dog Sled Challenge:</b> Build a mini dog sled	21 <b>Salt Crystal Sponges:</b> Create beautiful crystals
25 <b>Bannock:</b> Make a traditional Inuit food staple	26 <b>Snowball Launcher:</b> Make a fun indoor snowball toy.	27 <b>Tundra Reading:</b> Read a book about the Tundra and create a mini poster about it to share.	28 <b>Snow Scapes:</b> Create a winter scene with chalk

Students may do box activities whenever they would like to.

KND SEEDS ZOOM Meets  
Thursdays 3pm - 4pm

SEEDS is supported by a grant from the Michigan Dept. of Education, 21st Century Community Learning Centers, and by the generosity of our community.
