

## Special note about March Programming

Dear SEEDS Families,

We expect that much of March will be spent making maple syrup. We put together the attached calendar of activities in the event that we have some down time from sugaring, but please note that these activities are subject to change-- If the sap is running, we'll be in the sugar bush! We encourage students to stay until the end of programming at 6:15 P.M. If you arrive to pick up your student early, we ask that you are patient with us as we may be out in the school forest. My phone number is always posted on the door when we are not in the room, so please call if you arrive early. We will bring your student to you as soon as possible, but it may take a little time. We are looking forward to firing up the evaporator soon! If you have any questions, please let me know.

Sincerely,

Joe Kreider, Site Coordinator
