<u>Daily Schedule</u>		<p>I regret to inform everyone that at this time we are going back to 2 days in person and 2 days virtual SEEDS. I also have to inform everyone that we will not be allowed to have a lock in again this year sadly. With COVID numbers high and health concerns all around us we have made the decision to cancel this years Lock-In to make sure we do everything we can to keep everyone safe and healthy as much as we can. I know this is disappointing news, but please believe me that no one is more disappointed as I am by this announcement. Instead we are looking to have an outdoor picnic at the park and planning a skating trip to Johnnys in Custer for an evening of roller skating fun This trip is being planned for in June. Another change to our calendar this month is moving Minecraft club from Fridays to Mondays. I know we have students that want to join us, but don't have a device to play on at home so there will be opportunities for them to borrow a SEEDS device to sign out and use at home for a night and return the next day.</p>
